EDUCATION

BTech in Computer Science
Galgotias University

📅 2018 – 2022   📍 Uttar Pradesh, India

Class XII
CITY MONTESSORI SCHOOL

📅 2015 – 2017   📍 Lucknow, India

Class X
CITY MONTESSORI SCHOOL

📅 2013 – 2015   📍 Lucknow, India

PROJECTS

Movie Recommendation Site
https://movie-recommendation-v2.onrender.com/

Technologies used: HTML, CSS and Javascript

- This site can filter movies on basis of genre and descriptions of movies can be seen while hovering on it. I have implemented TMDB (The Movie Database) API to search movies and filter them.
- User can search movies too.
- When clicked on similar movies, it will display other movies having similar cast, director, producing companies,etc.

Formatted Notes
https://SpaceSpilled.github.io/Notes/

Technologies used: HTML, CSS and Javascript

- Here We can write notes, copy any HTML formatted content from web and paste it directly and all iframes, images will also get copied too.
- Used AES encryption to provide feature to encrypt the node using password typed by user.
- Option to toggle to dark theme.
- To transfer whole workspace or specific notes, user can import and export notes. Notes will be exported in JSON format.

SKILLS

Java
Python
HTML
CSS
Javascript

AREAS OF INTEREST

🏷️ **Data structures**

🏷️ **Algorithms**

🏷️ **Web Development**

🏷️ **Artificial Intelligence**

🏷️ **App development**

🏷️ **Front end design**

HOBBIES

🎵 **Listening Music**

💻 **Coding**
